WELCOME TO OUR OFFICE

We are committed to providing you the best care and are pleased to discuss our professional fees with you at any time. Please ask any questions you may have regarding our fees or your responsibility in complying with our financial policy and/or procedures.

Insurance Patients: Professional services are rendered and charged to your insurance on your behalf. Any services not covered by your insurance are ultimately your responsibility and may have to be paid by you at the time of service. **Deductibles are the patients' full responsibility.** If you fail to keep your appointments or you discontinue care for any reason other than discharge by the Provider, the bill is due and payable by you in full immediately, regardless of any insurance claims submitted. Our office accepts billing for Individual or Group insurance policies, Personal Injury Claims, and authorized Worker's Compensation. If the provider, as part of a treatment plan prescribes manual therapy for you, you must see the provider on the same day of service. If you do not, you are responsible for the full amount of the service.

<u>Collection/Attorney Fees:</u> I agree to pay all costs of a collection agency if necessary, not to exceed 25% of the principle, to obtain payment in the event that legal action should become necessary to collect an unpaid balance due for medical services. I agree to pay reasonable attorney's fees or other such costs as the court determines proper.

<u>Limited Release of Medical Information:</u> I authorize Aspen Chiropractic to make inquiries and to release any pertinent information to any insurance company, adjuster or attorney to facilitate collection under these circumstances.

Assignment of Cause of Action: In the event that any insurance company or other third party obligated to make payment to me or to Aspen Chiropractic for the charges made for these services refuses to make such payment on demand, I hereby assign, transfer, and convey to Aspen Chiropractic any and all cause of action that might exist in my favor against any such company or person. I authorize Aspen Chiropractic to prosecute said action in my name or their name to collect fees due for care rendered and legal expenses, and to resolve said claims as they see fit.
